Document 1

This topographic map illustrates the Summerhill area, highlighting the Summerhill Waste Facility and its associated buffers. The map features a red dashed line representing the 500m buffer and a red dash-dot line for the 1000m buffer. A red solid line outlines the Subject Site. The map includes a legend, a scale bar (0 to 400m), and a north arrow. Key roads shown include Newcastle Link Road, Boundary Street, Downie Lane, Hope Street, Bulwara Street, Gungah Street, Lake Road, Reservoir Road, Claire Street, Main Road, Transfield Avenue, and Minni Road. The map also shows a river, a lake, and various land use areas (green for vegetation, blue for water, yellow for open land, and red for built-up areas).
